Applicant (name / company & contact person / address)

Phone / fax / e-mail / www _____

VAT-ID _____

Acc. to § 5 LuftVZO, I apply for the amendment / extension of the type certificate of the following microlight:

Type fixed wing (3 axes) gyrocopter powered paramotor trike footlaunched (flexwing)
 flexwing (trike) helicopter powered paramotor (footlaunched) rescue system

Name & type certificate No.

Description of the amendment / extension (motor / propeller / rotor / wing / harness / rescue system etc.)

I apply that all examinations required for the amendment / extension of the German type certification shall be carried out by the DULV until the type certification is completed or until I withdraw this application.

I commit to pay all occurring costs for examinations and services immediately on demand. The DULV has the right to insist on payment of outstanding debts prior to any further examinations and services. Furthermore, the DULV reserves the explicit right to make any services dependent on prepayment.

All submitted drawings, parts lists, lists of material and samples will be treated strictly confidential by the DULV.

I assure that I am not aware of any facts or results that might contradict to the requirements for the certification of the microlight concerned.

The DULV is not responsible for any damage or loss caused by negligent fault of the DULV or its authorized representatives.

Furthermore, the DULV, its members of the management committee and its authorized representatives are not liable towards the applicant and his authorized representatives for all damages caused in coherency to these examinations, whatever the reason may be, as long as the damages do not state an injury of live, body or health.

Declaration of consent to the data processing by the DULV e.V.

The DULV collects personal data as well as data on personal and factual conditions of its members and customers in order to meet its tasks specified in its statutes and in order to perform its public responsibilities resulting from the authorization by the Federal Ministry of Transport. This data are also stored in individual cases, transmitted and processed. Through this application the applicant agrees to this above-mentioned data processing. Any other use of data for example sale or transfer data to unauthorized third parties will not take place. Each applicant has the rights to be informed about its stored data, of correction of the data stored in the case of incorrectness or blocking or deletion of his data after the business relationship.
